ASSEMBLY

☐ Kitset (No Glass) ☐ Assembled ☐ Drilled for hardware

HARDWARE

☐ Supply Hinges ☐ No Hinges Required

If you require different hinge positioning than shown to the right, please alter dimensions on this drawing. Additionally, if they alter per door, send one order per door.
Standard position is 100mm in from either end of hung edges.
Please supply drawing of division positions for WHAREHOUSE & STRIP profiled doors.
Please supply drawing of location of handle if selected.

Hinge Positions
